Hakkımızda

ALYANS ASANSÖR 2007 yılında ALİ AKYÜZ tarafından kurulmuş olup asansör sektöründe 20 yıllık üretim ve pazarlama tecrübesine sahiptir. Firmamız 2023 yılında belirli geliştirmelerle asansör butonu sistemine başlamış, 2024 yılından itibaren seri üretime geçmekle beraber Alyans Asansör tecrübesi ve üretiminin desteğiyle sektöre kaliteli ürünlerle hizmet vermeye devam etmektedir.

Alyans Asansör tüm çalışanları ile birlikte, müşteri memnuniyetini sağlamayı ve evrensel kalite ve standartlarda ürün ve hizmet sunarak güvenilirlik, devamlılık, saygınlık ve dürüstlük sembolü olmayı kendine ilke edinmiştir. Firmanın kurumsal değerleri ve kültürü, etik anlayışı ve iş ahlaki ilkeleri, sorumluluklarını yerine getirmesinde istekli olan işletme çalışanlarına yol göstererek daha büyük işler başarmada etkin rol oynamaktadır.

Alyans Asansör, üstün kaliteli ve uygun maliyetli ürünler ortaya koyarak, öncelikle Türkiye pazarında daha sonra Dünya pazarında bir marka olmayı kendine hedef olarak seçmiştir.

About us

ALYANS ELEVATOR was founded in 2007 by ALİ AKYÜZ and has 20 years of production and marketing experience in the elevator industry. Our company started elevator COP / LOP system with certain developments in 2023, started serial manufacturing from 2024 and Alyans Elevator continues to serve the sector with quality products with the support of its experience and production. ALYANS ASANSOR has adopted the principle ensuring customer satisfaction, to be a symbol of reliability, continuity, respectability and honesty by offering products and services of universal quality and standards, with all employees. The corporate values and culture, ethical understanding and business ethics of the company play an active role in achieving greater business by guiding the employees who are willing to accomplish their responsibilities.

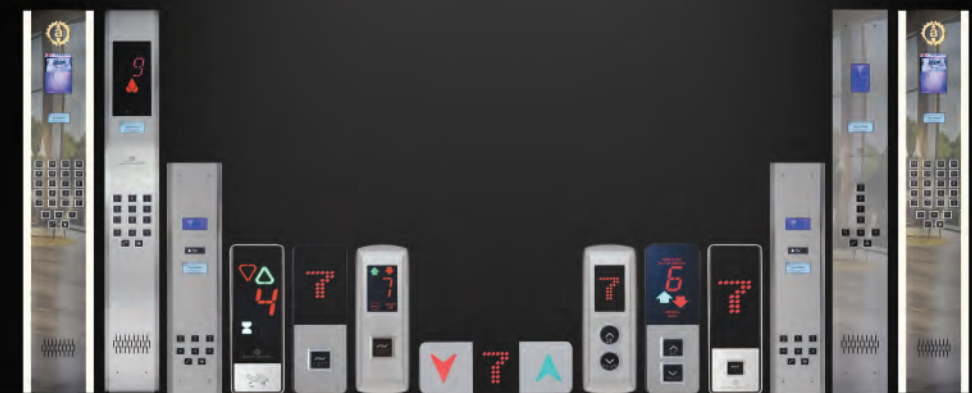

ALYANS ASANSOR decided as the target to become a brand first in the Turkish market and then in the world markets by producing high quality and cost-effective products.
